

SIMBA INTERNATIONAL

MANUFACTURING EXCELLENCE IN HAND TOOLS

ABOUT US

Building Trust Through Quality Hand Tools

Simba International is a trusted Manufacturer and Exporter of Hand Tools, committed to delivering quality, precision, and dependable performance to customers across domestic and international markets.

Founded by Simranjeet Singh, who brings valuable experience in the hand tools industry, the company was established with a vision to manufacture products that combine durability, functionality, and consistent quality standards.

With industry knowledge and a customer-focused approach, Simba International has developed expertise in producing reliable hand tool solutions designed to meet the demands of professional, industrial, and commercial applications.
